

THE RING IN THE OAK AND THE CHURCH OF THE REDEEMER, BILOXI, MISS.

7A-H1087

The Ring in the moss-draped, evergreen oak tree, located on the lawn of the Episcopal Church of the Redeemer, is a point of interest from the legendary standpoint. This Church contains a pew used by President Jefferson Davis of the Confederate States when he resided at nearby "Beauvoir". The ~~pew~~ is draped with the Confederate Flag.
